## Software Installation

	<b>Software Installation</b>
	Install the Past-Track 8.0 software <b><u>BEFORE</u></b> connecting your Tracking Key device to you computer. See below.
	<b>Installing the Past-Track 8.0 Software</b>
	Place your Past-Track version 8.0 installation CD into your computer's CD drive tray. Follow the prompts. For a normal installation, click Next through most of the prompts. After installation, <b><u>LEAVE</u></b> the CD in your CD Drive.

## Connecting the LandAirSea Tracking Key to Your Computer

	<b><u>You must go through these steps to successfully download data from your LandAirSea Tracking Key.</u></b>
<b>Step 1</b>	<b>Preparing to Install</b>
	Ensure that you have your Past-Track version 8.0 disk in your CD drive.
	Place fresh AAA batteries in your tracking key, and plug it in to your computer's USB port.
<b>Step 2</b>	<b>New Hardware Found</b>
	

	<p>Select <b>“No, not at this time”</b> and hit <b>Next</b>. (If your computer does not automatically find your device, reboot your computer with the Tracking Key connected to your PC).</p>
---	---

<p><b>Step 3</b></p>	<p><b>Driver Installation</b></p> 
<p style="text-align: center;"></p> <p><b>Step 4</b></p>	<p>Select <b>“Install software automatically”</b> and hit <b>Next</b>.</p> <p><b>Finish Installation</b></p> 
<p style="text-align: center;"></p>	<p>Select <b>Finish</b>.</p>

You are now ready to download tracking data by running the Past-Track software.
